RE: Water Supply Well Sampling
838 Taylor Road
Stoneville, NC 27048

Dear Mr. & Mrs. Reyes:

My name is Dwayne Peterson with North Carolina Department of Environment and Natural Resources, Division of Waste Management. During the week of November 9, 2009, I will be in the Rockingham County area collecting groundwater samples related to groundwater contamination in your area. I would like to sample your well at the above referenced address during that time. You do not have to be present to have your well sampled and there is no cost to you. The laboratory results will be forwarded to you as soon as possible.

Please contact me by one of the following ways to confirm whether or not you would like your well sampled. You can reach me by calling (919) 508-8573, emailing me at dwayne.peterson@ncdenr.gov or respond to this letter stating you do wish or do not wish to have your well sampled. I will be happy to answer any questions you may have at that time.

Sincerely,

Dwayne Peterson
